

NACA - NATIVE AMERICAN COMMUNITY ACADEMY

How does the lottery work?

The New Mexico State Department of Education has designed a lottery system that requires charter schools to hold an open enrollment procedure. There are approximately 75 spaces open at the Native American Community Academy for the 2012-2013 school year for incoming 6th graders and **limited spaces for grades 7-12**.

We are currently enrolling for the 2012-2013 class of 6th – 12th grade students for Fall 2012. Spaces are now available for the 6th grade class. However, spaces are limited in grades 7-12 Call now or send in your form to enroll in the lottery to 1100 Cardenas Ave. or Fax 505.266.2905.

Do I have to do this every year?

No. Once students are entered into the academy, they will have preference over any new enrollees annually. Just as the students will create bonds with one another, we also believe strong bonds among our parents will ensure a nurturing, high performing, supportive and safe school environment.

How will I be notified?

The school will contact all parents via a letter of confirmation delivered to the address indicated on your enrollment application. Parents will be contacted by the principal to complete the in person registration process.
